Don't Get Anxious—Get Prepared TCEnow.com

The Career Engineer (TCE): Leading with the call “Don’t Get Anxious – Get Prepared!”, the arrival of National Career, Business and Networking Expert, Francina R. Harrison, MSW could not have come at a better time. The recent economic crisis has forced people across the board, employed or not, to take stock of their situation, rethink careers, and clearly define what it is exactly that they bring to the table. **Francina can help you navigate the nuances of this environment and replace traditional methods with strategies that actually work.** [Click Services](#) tab on our website for details.
